§ 600.114

Requirements for Grants and Cooperative Agreements to State and Local Governments.”

PRE-AWARD REQUIREMENTS

§ 600.110 Purpose.

Sections 600.111 through 600.117 prescribe forms and instructions and other pre-award matters to be used in applying for DOE awards.

§ 600.111 Pre-award policies.

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, the DOE shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public Notice and Priority Setting. DOE will, whenever practical, notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 600.112 Forms for applying for Federal assistance.

(a) General. An application for an award shall be on the form or in the format specified in a program rule, in the solicitation, or in these regulations (see § 600.10). When the SF-424 form is not used, DOE shall indicate whether the application is subject to review by the State under E.O. 12372. DOE may also require applicants to complete—

(1) The Notice of Energy RD&D Project (DOE Form 538) if the applica-

tion is for a research, development, or demonstration project; or

(2) The Federal Assistance Management Summary Report (DOE F 4600.5) or the Federal Assistance Milestone Plan (DOE F 4600.3) as a baseline plan in accordance with the terms and conditions of award if required by program rule or the solicitation. If a solicitation other than a program rule requires the use of one or both of these forms, the solicitation shall contain an explanation of how the information to be provided relates to the objectives of the program.

(b) Budgetary information. DOE may request and the applicant shall submit the minimum budgetary information necessary to evaluate the costs of the proposed project.

(1) Applicants for research awards, other than State, local, or Indian tribal governments, will use DOE budget forms ERF 4620.1 and ERF 4620.1A. All other applicants shall use the budget formats established in the solicitation or program regulations.

(2) DOE may, subsequent to receipt of an application, request additional information from an applicant when necessary for clarification or to make informed preaward determinations.

(c) Continuation and renewal applications. DOE may require that an application for a continuation or renewal award (see § 600.26 (b) and (c)) be made in the format or on the forms authorized by paragraphs (a) and (b) of this section.
